Profile

I am a CS Graduate with an expertise in working with React making responsive and beautiful user friendly websites. Able to effectively self-manage during independent projects, as well as collaborate in a team setting. Experienced with the latest cutting edge development tools and procedures.

Education

BE (Computer), NBNSSOE - Pune

June 2018 - June 2022

HSC, KTHM COLLEGE - Nashik

June 2016 - June 2018

Projects

Movies browser [\[Link\]](#)

An app to browse movies and tv series. Made using React and plain css. Used axios api library for api requests.

Admin Dashboard [\[Link\]](#)

A dashboard to keep track of your business, view charts and more. Used Context Api for state management.

Ecommerce Page [\[Link\]](#)

A responsive ecommerce platform. Made use of different react hooks.

Objective

My keen knowledge of React along with my ability to think innovative solutions and present them along with learning new topics will allow me to bring good value to your organization.
